

Dear Parent/Guardian:

The Vinton County Local School District offers access to a parental message service called SchoolMessenger. You may list up to four numbers that will be contacted with various announcements and reminders including but not limited to school cancellation, delay and early dismissal, general announcements and attendance. Please keep in mind that the cancellation calls may be made as early as 4:00AM. Make sure if you are adding numbers for family members not in your household that they are aware you are adding them to the list. If you list a cell phone, you have the option to opt-in to receiving SMS/text messages as well but unfortunately not in place of voice calls. You would still receive announcements via both voice and text. You may opt-in to receive SMS/Text messages by sending a text message with the word subscribe to 67587. You may also list an email address should you wish to receive the announcements via email as well. If you are already signed up with the service, you do not need to return this form unless you need to add or remove numbers. If you are making changes, please list ALL of the numbers you want called, not just the new numbers. If you would like to remove numbers, just indicate that as well somewhere on this form.
