“A yearbook is an anchor, a link, the tie between present and past. It records people and places, names and faces, facts, notes, messages and quotes, drawing a map of the places you’ve been. Though life’s course may change, your history here at VCHS remains and forever travels with you. Hundreds of days, thousands of photos, millions of memories. In the yearbook, it will be 2015/2016 forever!”
